PROFILE

A passionate and self-driven web developer, and an Undergraduate currently pursuing a Pearson BTEC HND in Software Engineering, Sri Lanka. With a strong foundation in web development and hands-on experience in building innovative web applications, I am committed to becoming a Professional Software Engineer. My technical skills are complemented by a love for teamwork, inspired by playing football and cricket, where strategy and collaboration are key. As a disciplined individual with a deep commitment to diversity and inclusion, I aim to create impactful solutions while fostering a welcoming and innovative work environment. I'm eager to contribute to forward-thinking organizations and shape the future of technology.
